MUR # 6347

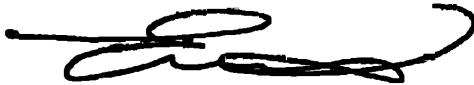

Dear General Counsel

While reviewing the online FEC reports of Philip Brutus for Congress (C00461343), I became concerned that this committee has not filed complete, accurate and timely reports. Also, two required reports (the 2009 Year End and the 2nd Qtr 2010 reports) have not been filed, and the committee has not responded to the Commission's request for additional information concerning the 1st Qtr 2010 report.

The public has a right to know how this committee is financed and how it is spending its funds. For example, this committee has an illegal billboard on the side of the City Inn Hotel in Miami. How was this billboard paid for? Conservative costs estimates for the billboard would be greater than the \$4,393 cash on hand as disclosed on the committee's incomplete and inaccurate 1st Qtr 2010 report.

With the primary election approaching, I ask that your office investigate these violations and audit this committee to determine if there are additional violations. This failure to file timely, accurate reports suggests that the Philip Brutus for Congress committee has something to hide.

Sincerely,

Ernest Pagenel
